 Map Data Current as of March 15, 2009

- |                                     |                        |                               |
|-------------------------------------|------------------------|-------------------------------|
| <b>Legend</b>                       | — Drainage Line        | ■ Repaired Drainage Structure |
| — Drainage Line To Be Cleaned       | □ Planning District 10 | ■ Water Body                  |
| ● Catch Basin/Manhole To Be Cleaned |                        |                               |
| — Drainage Line Cleaned             |                        |                               |
| ● Catch Basin/Manhole Cleaned       |                        |                               |
- Not To Scale

Due to current differences between the physical system and the GIS, approximately 10% of the drainage assets to be cleaned may not be highlighted on this map.
